Abdalla, A., 371

Abildgaard, C. F., and Taylor, R. L., Generalized histoplasmosis in a Panamanian infant: case report, 400

Adenoviruses, from Saudi Arabia, 523

Aedes aegypti, rock hole breeding and resistance in Puerto Rico, 425

Aitken, T. H. G., 70, 78

Ajello, L., Manson-Bahr, R. E. C., and Moore, J. C., Amboni Caves, Tanganyika, a new endemic area for *Histoplasma capsulatum*, 633

Akers, T. G., Hashem, N., and Mahdy, M. S., Studies on paralytic poliomyelitis in Cairo, U. A. R., 1957–1958, 343

Alexander, A. D., 229

Allain, Dorothy S., 248

Amboni Caves, Tanganyika, endemic area for *Histoplasma capsulatum*, 633

Amebiasis, experimental, 506

amebiasis, humatin in intestinal, 155

amodiaquin and primaquine, in the prevention and cure of *vivax* malaria, 149

Ancylostoma duodenale, action of food preservatives on larvae of, 8

Anderson, Robert I., Serologic diagnosis of *Schistosoma mansoni* infections. I. Development of a cercarial antigen slide flocculation test, 299

Anderson, R. I., and Naimark, D. H., Serologic diagnosis of *Schistosoma mansoni* infections. II. Sensitivity of intradermal and serologic tests on individuals with an unequivocal diagnosis of schistosomiasis, 600

Anderson, C. R., Aitken, T. H. G., Spence, L. P., and Downs, W. G., Kairi virus, a new virus from Trinidadian forest mosquitoes, 70

Anderson, C. R., Spence, L. P., Downs, W. G., and Aitken, T. H. G., Manzanilla virus: A new virus isolated from the blood of a howler monkey in Trinidad, W. I., 78

Anopheles gambiae and *A. melas*, comparative susceptibility to infection by *Plasmodium falciparum*, 652

Anopheles larvae, alteration of the environment of, by nutria in Israel, 265

anti-erythrocytic antibodies, effect on *Plasmodium berghei* in mice, 293

antigen, complement fixing, from adult *S. mansoni*, 11

antigen, echinococcus, 248

antigen, *S. mansoni* cercarial, for slide flocculation test, 299

antigens, *Trypanosoma cruzi*, protein and carbohydrate complement fixing, 512

Arizona, etiology of diarrheal diseases in, 336

Arroyave, G., Scrimshaw, N. S., Pineda, O., and Guzmán, M., Electrophoretic pattern of hyperproteinemic sera in a population group of rural Panama, 81

Asakura, S., 444

ascariasis, eradication by repeated mass treatment, 274

Ascaris, hookworm and *Trichuris*, treatment with bephenium hydroxynaphthoate, 496

Ascaris lumbricoides, action of food preservatives on eggs of, 1

Asenjo, Conrado F., 308

Asiatic cholera, clinical study and treatment of, 620

Asiatic cholera, gastro-intestinal lesion in, 125

Australorbis glabratus, chemoreception in, 480

Australorbis glabratus, effects of sodium pentachlorophenate on fecundity and eggs of, 199

B

Badran, A., 371

Bambridge, Ben, 180

Beck, M. Dorthy, 639

Beisel, W. R., 125

Bell, S. D., Jr., 116

Bell, S. D., Rota, T. R., and McComb, D. E., Adenoviruses isolated from Saudi Arabia. III. Six new serotypes, 523

Bell, S. and Woodruff, A. W., Humatin in intestinal amebiasis, 155

Benenson, A. S., 430

Benirschke, K., and Richart, R., Spontaneous acute toxoplasmosis in a marmoset monkey, 269

Benyajati, Chanyo, 125

bephenium and tetrachloroethylene, efficacy in mass treatment for hookworm infection, 492

bephenium hydroxynaphthoate, treatment for hookworm, *Ascaris* and *Trichuris* infections with, 496

bephenium hydroxynaphthoate and tetrachloroethylene, comparative efficacy against hookworm and other parasites, 488

Berg, Gerald, 136

Biagi, F. F., and Rodriguez, O., A study of ascariasis eradication by repeated mass treatment, 274

Boike, Arthur H., Jr., 425
